## CHATTER

April, 2023

**GFWC FLORIDA - DISTRICT 12  
WHERE VOLUNTEER SERVICE  
AND FRIENDSHIP MEET**

### NOTES FROM THE PRESIDENT

Gwen Grace, 201-317-2317  
[Gweng1999@yahoo.com](mailto:Gweng1999@yahoo.com)

Spring is here and April brings Easter, Passover, Earth Day and National Volunteer Month. That last one is what I wish to celebrate with all our members. I came across a poem from an unknown author that I want to share with you.

#### BEING A VOLUNTEER

Volunteering is  
a work of heart

It's not for money. It's not for fame.  
It's not for any personal gain.  
It's just for love of fellow man.  
It's just to lend a helping hand.  
It's just to give a tithe of self.  
That's something you can't buy with wealth.  
It's not for medals won with pride.  
It's for the feeling deep inside.  
It's that reward down in your heart.  
It's that feeling that you've been a part  
Of helping others far and near  
That makes you be a volunteer!

Thank you all for your time, talent, and treasure that you give to the club and the community.

And with all the great members we have, it's hard to pick out one for the Volunteer of the Month. The choices are way too many. And although she's been honored before, I just had to give my personal thank you to this long time and very active member. She's headed up fundraisers, been our photographer and jumped in whenever the club needed someone to help. A retired school teacher and an almost 17 year member, my appreciation this month goes to Linda Muir. She has been living the volunteer spirit with the club and made a difference.

I hope to see you at the General Meeting on April 20<sup>th</sup>. And I'm looking forward to a lovely Spring Fling Fashion Show and Luncheon on April 15<sup>th</sup>.

Keep busy, keep healthy and **"Bee" all you can "Bee!"**

### FIRST VICE PRESIDENT

Gloria Rogoski, 440 487 5586

[rogoskigj@gmail.com](mailto:rogoskigj@gmail.com)

Welcome to Spring, a time of renewal, rejuvenation, and re-growth. A good time to think of the months ahead and how we can improve our lives and those of others by living the volunteer spirit. So, what is the volunteer spirit? One definition I like is "the principles of donating time and energy for the benefit of other people in the community as social responsibility rather than for any financial reward,"

I believe that Rotonda West Woman's Club does a great job of this through all our programs including scholarships, financial support of area non-profits, and days of service. If you want to make a difference in your community and don't know where to start, talk to one of the Community Service Program (CSP) chairpersons to see how you can help with club activities. We have CSPs for Arts and Culture, Civic Engagement and Outreach, Education and Libraries, Environment, and Health and Wellness. We also support the GFWC Signature Program for Domestic and Sexual Violence Awareness and Prevention. There really is something for everyone – take a look at our Yearbook on the [gfwcrotondawest.org](http://gfwcrotondawest.org) website (under About Us) for more details.

Need a name badge? I take orders for laser engraved name badges with magnets at every general meeting. They are \$10 (we get 50 cents of that) and are normally available at the following meeting.

### SECOND VICE PRESIDENT

Jennifer Cope, 816 678 4045

### MEMBERSHIP CHAIRMAN

[rwwcmembership@gmail.com](mailto:rwwcmembership@gmail.com)

We are looking forward to the induction of new members at the April meeting. You may have noticed new faces at recent events. Many recent members have been working at our events and attending fun activities with enthusiastic energy! We are so happy to have them and their many talents and knowledge as part of our club.

As we wind down for the summer, remember we will still have activities going on with our club. If you have any neighbors or friends who are interested in joining GFWC RWWC please invite them to something going on this summer.

HAPPY EASTER!

Note: There was an error in the March Chatter. Kathleen's last name is Sorensen. I apologize for the error.

I am delighted to include in this article an email from District 12 President’s Project Chairman, Joyce Powell. Joyce will be taking our Beautiful Boggy Bears to Convention for us because my “clown car” Prius will be filled to capacity with my roommate for the Convention, Gloria Rogoski, and almost all of the décor for the Saturday Evening Dinner. Our Guest Speaker for Convention Saturday Evening Dinner will be GFWC International President Debra Strahanoski, so we want to do a fabulous job decorating and extend a warm District 12 Welcome at the same time.

We are Puttin’ On the Ritz for the entire weekend so watch for Facebook Posts from the Rosen Hotel beginning April 21<sup>st</sup> through April 23<sup>rd</sup>.

Thanks very, very much to Beth Black for sewing all our Boggy Bears and to our volunteers who came out to “stuff Bears” on Tuesday morning, March 21<sup>st</sup>. Janet Rojas was also there to stuff Bears but must have taken this photo!

Here’s the scoop from Joyce Powell, District 12 Chairman!

Hi - I will be at Convention and be happy to help at the President’s Project table. I am bringing 45 afghans and 12 small quilts. I will also bring 4 bags of bears from GFWC Rotonda West. Hope we can fit in the SUV (we might look like the Clampetts). Looking forward to seeing you and helping out.

Till then, in unity,  
Joyce

**GFWC FLORIDA - DISTRICT 12**  
**WHERE VOLUNTEER SERVICE AND FRIENDSHIP MEET**

In April 2016, our good friend and club member Judy Laing introduced us to Healing Art Missions, a nonprofit organization formed by her daughter, Dr. Tracee Laing, M.D., in 1999 to serve the needs of the people in Dumay, Haiti. Since that time, GFWC Rotonda West Woman’s Club has attempted to provide support to H.A.M. although life and conditions in Haiti have become more and more difficult for Haitians at the same time that we have had our own struggles with Covid and Hurricane Ian. Here is an update on the current and very critical circumstances affecting Healing Art Missions formerly located for 22 years in Dumay, Haiti.

“Dumay is right in the center of the Central Haiti civil war. We stayed as long as we could. There is a small group of Doctors Without Borders staff who are working in our Dumay Clinic with the backing of the gang currently controlling the area and as important, they have permission of the Haitian Police to work anywhere in the country. The final straw for us was the police handcuffing and interrogating our Dumay Medical Staff for 12 hours, threatening to throw them in prison if they cared for any gang members. Of course, you take care of gang members when working in gang-controlled areas - otherwise they kill you. So now we are concentrating on getting care to those fleeing the violence in the South. Our mobile medical teams are staffing hospitals in the south, concentrating on maternal and surgical care, since most hospitals in the south do not have specialized or surgical staff. To keep our medical staff safe, we often must fly them to the cities in the south - to avoid roads controlled by gangs.”

“Our Charles Salomon Primary school in Port-de-Paix has 350 children attending and 40 adults in our literacy program. It is still running strong in an area that has managed to keep from being overrun by the gangs.”

“Education has always been a high priority for HAM - it is hard to see improvement in Haiti without an educated population. I really hope things improve for you and for Haiti soon - Thanks for reaching out,”

The story in Haiti is shocking at best. The one glimmer of hope is continuing the support of the Charles Salomon Primary School, away from the Dumay area.

As I believe that GFWC RWWC has realized and has always supported...education is the universal key.

### **ARTS & CULTURE**

Hello ladies.

Our first excursion for this year was to the **Ringling College Englewood Art Center**. The Art Center is at 350 S. McCall Road in Englewood and is open every day Tuesday through Saturday from 9 am till 4pm 941-474-5548. A division of Ringling College Continuing Studies, the Englewood Art Center (EAC) focuses on education, exhibitions, and events. EAC serves as a nexus for artists and audiences to inspire creativity, exchange ideas, endorse imagination, and encourage creative growth.

In addition to four galleries for exhibitions, they house two 2D studio classrooms, a ceramics studio, a digital media studio, and a lending library. Classes are offered onsite

We had seventeen ladies meet up on Friday March 24 at the Community Center and carpool over to Englewood to visit the Four Galleries that the Art Center has open to the public free of charge.

In the *Warren Loranger Gallery*, we saw themed artwork 'Mythical, Magical, Mystical' in a variety of media that depicts anything from mythical creatures to magical realms and mystical ideas.

In the *Ken Mitchell Gallery*, we saw paintings by Donna Ingemanson & Judy Riola.

In the *Mangrove Gallery*, we saw a selection of ceramics by Gary Skelly.

And in the *Members Gallery*, we saw amazing intricate painting on shells by Christie Watson.

After viewing the galleries, we went to visit the Art Alliance of Lemon Bay on Dearborn Street which showcases many works by local artists with items for sale and also opportunities to take classes with these local artists. After viewing all this wonderful artwork, we split up into a few groups and had wonderful lunches at Cafe 766, Mango Bistro and the Blue Pineapple. I think we all had a great outing and we shall be doing it again!

Approximately every 6 weeks they change the galleries to new exhibitions so it is an ongoing adventure into all types of mixed media from sculpture, paintings, photography and much, much more.

### **CREATIVE CRAFTERS**

Ladies as you all have been informed, we do not have crafting this week due to the setup for the Celebrate the Circle by the RWA for this Saturday, April 1st.

We will also not have crafting for the next three weeks due to Good Friday on April 7, setup of the Fashion Show on April 14<sup>th</sup>, and the following week Friday April 21st to April 23rd is the GFWC Spring Convention.

We will restart crafting on the last Friday of April 28th. Emails will be sent out as to what we will be working on and what you need to bring.

See you at the General Meeting on Thursday April 20th.

### *April is National Poetry Month!*

We invite you to find great ideas for sharing your love of poets and poetry at [poets.org](http://poets.org). Celebrate **Poem in Your Pocket Day** on April 27, 2023. Carry a poem, and share with others, read aloud and record your voice for the grands, post on social media, and revel in this art form. Is your favorite Kipling's *If*, Henley's *Invictus*, or Angelou's *Phenomenal Woman*? Or maybe you prefer Seuss, Silverstein, Perlutsky or this anonymous silliness:

Spring has sprung, the grass is ris,  
I wonder where the boidies is  
The boid is on the wing,  
But that's absoid  
From what I hoid  
The wing is on the boid!

Spring is also decision time. This month the Lemon Bay High School seniors are awaiting their acceptances, and our Scholarship Committee is reviewing all the worthy applicants. We will report to all of you soon, when our meetings have concluded. We can report that the Class of 2023 is very impressive.

Thank you to all the members who have supported our Spring Fling Fashion Show benefitting The Literacy Center for Dyslexia in Englewood Florida. Kindly follow their Facebook page to learn all about their mission.

Linda Bermea, Bazaar Chairman

What an honor it was to work with this incredible group of women in our organization. We had over 50 volunteers that contributed their time, talents, commitment and good will to make this an incredibly successful fundraiser. Over the years, I've worked with a lot of organizations and have never been more impressed with the willingness of our members to step forward and give of themselves. I feel blessed to be a part of this organization and to have gotten to know some of you even better through this process. I look forward to this fall when we get to have fun again!
