

GFWC Rotonda West Woman's Club, Inc.
Education & Libraries (CSP) Chairman

Mission:

To promote education in both children and adults. To aim to help others, while we also continue to learn. Projects are designed to foster schools, as well as other educational institutions and opportunities, and to promote literacy, libraries and the love of a good book. Through these efforts, we encourage the growth of individuals and our community.

Required Meeting Attendance:

Monthly Board meetings and monthly Membership meetings.

Assigned Monthly Meeting Program:

Each CSP is required to provide a program for one of the General Membership meetings each year, as per the RWWC bylaws.

Chatter:

Each CSP is asked to prepare a monthly article for their CSP regarding information on their CSP's recent program activities, upcoming events, and/or general information about their CSP mission.

Term:

The term for each CSP Chairman position is two years, as per the RWWC bylaws.

Programs:

Throughout the year under the leadership of the Chairman, the CSP Committee oversees and develops programs related to its mission such as and including: Lemon Bay High School scholarships for graduating seniors, continuing education scholarships, Hugh O'Brian Youth Leadership Scholarships in cooperation with the RWWC Club President (Leadership Chairman). Assist the Coordinator of the Library provided to the Rotonda Community by the RWWC. Collect school supplies for students in January. Recognition of National Teacher Appreciation Week in May. Cooperate and assist the Chairman of ESO with the six participating Book Clubs. Promote and challenge members to volunteer in literacy programs in the community.

Budget:

A small amount is budgeted each year for each CSP. Larger projects will require fundraising or voluntary support from the RWWC members and/or the general community.

Reporting:

At the end of the calendar year, reports, statistics, and a narrative of the projects completed during the year are due to the Reporting Chair(s) on the prescribed forms.
